CLASS OF 2013—PENN STATE UNIVERSITY PARK

JOSHUA BRADY BRANCH was not your typical high school athlete and Eagle Scout. The bullying he dealt with growing up led Josh to **identify**

with members of other marginalized groups and become a vocal supporter of his high school's Gay-Straight Alliance. His advocacy for the LGBTQ community has continued at Penn State, where he has been a **persistent** and **courageous** voice against discrimination. As a participant in dialogues across the community, Joshua reminds us that **ethical leadership** can occur through seemingly small, **everyday** encounters.
